Graceland University SIFE would like to invite you to our annual Fall Burn event on Thursday, Nov. 6 from 4:30-7:00 p.m. on Graceland's Lamoni, Iowa, campus. This event follows Graceland's Career Fair and is aimed at giving employers and students an opportunity to network in a structured atmosphere. We will start with an employer panel question and answer session (about 45 min.), but most of the evening will be dedicated to networking over hors d'oeuvres.

This is an opportunity for employers to meet a broad range of Graceland students, and it provides our students a chance to meet with professionals across multiple industries. This is also a learning opportunity for our students to network in a professional setting, and we hope they will become more proficient and comfortable mingling and networking through this event.

This event follows the Graceland Career Fair (Noon-4 p.m.).
If your company would like a booth at the Career Fair please
indicate so on the online Fall Burn registration page.
